

Why Sunbrella Fabrics?

Sunbrella fabrics are woven to last through years of entertaining, spilled drinks and sticky fingers. Create a welcoming and comfortable outdoor space, unfazed by nature and made to last. Sunbrella outdoor fabrics are easy to clean, UV protective, and resistant to fading, stains, mold and mildew. Our fabrics do the heavy lifting, so you can take pleasure in worry-free outdoor living.

Easy to Clean

Sunbrella fabrics are easy to clean by blotting spills with a clean, dry cloth and using mild soap and warm water.

Weather & Water Resistant

Sunbrella outdoor fabric are engineered to withstand Mother Nature, resisting the harmful effects of exposure to the sun, rain, humidity.

Mold & Mildew Resistant

All Sunbrella fabrics are resistant to mold and mildew. Should exposure to dirt, debris, sun lotion or other elements cause mold or mildew to occur, simply spot clean with a bleach solution.

Fade Proof & UV Resistant

Stabilized UV and color pigments prevent Sunbrella fabrics from fading, as well as becoming damaged and breaking down.

Stain Resistant

Sunbrella fabrics are engineered with built-in stain resistance and a protective finish that won't wash away, standing up to life's toughest messes.
